

Българско дружество за защита на птиците (БДЗП) е гражданска организация, която активно работи за опазване на дивите птици, важните за тях места и местообитания. По този начин членовете на организацията защитават правото на съществуване на дивата природа, допринасяйки за устойчивото ползване на природните ресурси и благосъстоянието на хората. В продължение на години БДЗП създава и разпространява информационни и образователни материали, част от които са изброени по-долу:
